The committee reserves itself the final word on rule interpretation.

Tie Breakers

The tied teams will go through each tie breaker until ONE team is determined the winner; Example: if no team is determined ahead of all other teams after Tie Breaker #1, then it will move on to Tie Breaker #2, etc

If 2 teams are tied in points, the following order applies to determine the ranking of teams:

1. Head-to-Head
2. Most games won (includes shootout wins)
3. Best differential Formula
4. Least goals against
5. Most goals for
6. Least Penalty minutes during the tournament
7. Flip of a coin

In the case where 3 or more teams are tied in points, the following order applies to determine the ranking of teams:

1. Most games won (includes shootout wins)
2. Best differential Formula
3. Least goals against
4. Most goals for
5. Least Penalty minutes during the tournament
6. Flip of a coin

Once a winner of a 3+ way tie is determined, the remaining tied teams will begin the tie breaking process again to determine the next winner. Example: if 4 teams (Team A,B,C & D) are tied and Team B is determined the winner, then Teams A, C and D would then start the 3+ way tiebreaker over again. Once the tie-breaker is down to the final 2 teams, you revert back to the “2-team tiebreaker” criteria above.

Playoff Tie Games

If there is a tie game at the end of regulation time during the tournament playoffs, the following overtime rules will apply.

1. Teams will play 3 v 3 + Goaltender in One, Five minute sudden-death period.
3. Shoot-out. In case of a regulation tie, we will have a shootout (best of 3 format). 3 players will be chosen by each team’s Coach at the end of regulation. Should the tie persist, we will continue 1 player at a time until the tie is broken. After the first 3 shots the team can use any player as many times as they choose.

Please read carefully

Respect the referees at all times, should you have a situation you would like to discuss concerning a particular individual, we have appointed a referee in chief who is available to you, he does not have the power to change a referees decision. However, we have advised our refereeing staff to treat coaches with respect and they will expect the same in return. They will not exercise any patience when being sworn, screamed or gestured at.

The committee reserves itself the final word on rule interpretation.
